

# CINVANTI® (aprepitant) injectable emulsion

## Distribution Reference Guide

Supplied and marketed by: Heron Therapeutics, Inc.

Product name: CINVANTI

Established name: (aprepitant) injectable emulsion

CINVANTI pricing is based on wholesale acquisition cost (WAC). WAC is subject to change without notice. WAC is the list price to wholesalers for CINVANTI, without taking into account any terms specific to wholesalers, such as prompt payment terms, introductory launch terms, other discounts, or chargebacks.

		Width	1.411"
		Volume (cube)	6.527 in <sup>3</sup>

#### Storage and Handling

CINVANTI vials must be refrigerated, store at 2°C to 8°C (36°F to 46°F).

CINVANTI vials can remain at room temperature for up to 60 days.

Diluted CINVANTI solution is stable at ambient room temperature for up to 6 hours in 0.9% Sodium Chloride Injection, USP or 12 hours in 5% Dextrose Injection, USP or up to 72 hours if stored under refrigeration in 0.9% Sodium Chloride Injection, USP or in 5% Dextrose Injection, USP.

Do not freeze.<sup>1</sup>

#### Heron Connect®

A fully integrated reimbursement and patient support program that provides practices with a dedicated team of Reimbursement Counselors available at **1-844-HERON11 (1-844-437-6611)** from 8 AM to 5 PM ET, Monday through Friday.

#### Drug Replacement

In the event that CINVANTI arrives damaged, is otherwise determined to be unfit for patient use,\* or has expired, Heron Therapeutics will credit your practice for the purchase price of the product.

– Contact Heron Connect at **1-844-HERON11 (1-844-437-6611)** from 8 AM to 5 PM ET, Monday through Friday

#### Heron Commitment Program®†

The Heron Commitment Program† credits the practice for the cost of CINVANTI§ in the event of a qualifying claim denial,† when program requirements are met.

\*Determination will be made by the manufacturer of CINVANTI.

†A qualifying claim denial can be reviewed for the Heron Commitment Program when, for a patient covered under commercial insurance, the following criteria have been met, and documentation confirms: (a) the verification of benefits, conducted by the provider and/or Heron Connect, meets all of the payer criteria and/or policy requirements, (b) the submitted claim for the Heron product is denied, and (c) the claim has been denied again by the commercial payer after the first level of appeals process has been followed.

‡The Heron Commitment Program and the other product support programs offered by Heron Therapeutics do not impose any purchase obligation at any time or in any manner. Use of CINVANTI may be discontinued at any time without penalty.

§Credits to your practice are processed by Heron Therapeutics.
