Package Information, Storage, and Handling

ZYNRELEF is supplied as a kit consisting of a nonsterile single-dose glass vial (containing sterile active ingredients) and sterile components needed for preparation and application. Store ZYNRELEF kits at controlled room temperature (20°C to 25°C [68°F to 77°F]). Protect from moisture and light.

Product Code (NDC)	Bupivacaine/Meloxicam	Volume	Kit Contents (in addition to single-dose vial)
47426-301-02	400 mg/12 mg	14 mL	1 vented vial spike, 2 x 12-mL Luer lock syringes, 2 Luer lock cone-shaped applicators, 2 syringe tip caps
47426-303-01	200 mg/6 mg	7 mL	1 vented vial spike, 1 x 12-mL Luer lock syringe, 1 Luer lock cone-shaped applicator, 1 syringe tip cap

Note: All kits have the same outer dimensions: 4.04" (depth) x 1.60" (height) x 7.04" (width).

Order Replacement Kit Components for ZYNRELEF

ZYNRELEF should be prepared and administered using only the components provided in the ZYNRELEF kit. In case parts are dropped or mishandled during preparation, replacement kit components can be ordered for \$0.01 per carton:

- **Luer lock cone-shaped applicators** (GTIN 00347426902106)
- **Vented vial spikes** (GTIN 00347426903059)
- **12-mL Luer lock syringes** (GTIN 00347426904087)

➔ Search "ZYNRELEF" on your distributor's ordering website and add 1 carton of each component to your initial order.

In the event the ZYNRELEF vial or another ZYNRELEF kit component is damaged or missing from a purchased kit, or if a component has a physical or mechanical defect, Heron Therapeutics, Inc. will provide a replacement product kit. Contact Heron Connect at 1-844-HERON11 (1-844-437-6611) from 8 AM to 5 PM ET, Monday through Friday.

HERON CONNECT

Heron Connect offers customized support for ZYNRELEF billing and coding questions. Reimbursement Counselors are available at **1-844-HERON11 (1-844-437-6611)** from 8 AM to 5 PM ET, Monday through Friday.
